TWO SONOMA POULTRYMEN WIN IN SUIT

D. Colli and Theodore Pierson Victorianss, in Suit Brought by Poultry Producers' Association.

The long pending suits contested by D. Colli and Theodore Pierson against the Poultry Producers' Association has been decided in favor of the Vineberg residents. Messrs. Colli and Pierson contended from the outset that the association had no case against them and that the contracts made were not binding. Mr. Colli is not a poultryman but a general rancher, and pointed out that the eggs he handled would have no appreciable effect on the market conditions.

Both Colli and Pierson declared things were misrepresented to them and Pierson produced a letter written by the association agreeing to drop the suit if he would pay up and back in. Instead, the poultrymen retained Frank Meyer, of Petaluma, and put up a strong fight.

A dispatch from Santa Rosa under date of December 31 said:..... .....

Judge T. C. Denny directed a minute order to be entered Thursday in his court giving judgment for defendants in the cases of the Poultry Producers of Central California against Theodore Pierson, filed in San Francisco and transferred to Sonoma county for trial, aainsst D. Colli, filed in this county forspecific performance of contract. The suits sought liquuidation damages, payment of capital stock subscription accounting of eggs produced between Feb, 10, 1917 and date, and delivered to other parties in violation of contract, and 5c a doz. for liquidation damages as allowed by the contract.

The decisions are the first given in the State against the Poultry Producers of Central California, Inc., a co-operative marketing association formed by the state market director. A number of suits instituted in Los Angeles county and in other parts of the state which have been tried all resulted in judgment for the plaintiff. There are several cases pending in the local courts awaiting the filing of briefs, but the two Thursday were the first to reach judgment locally.

The fact that no written opinion was handed down and no entry of the reasoning by which the decision was reached leaves the matter entirely to conjecture. It is expected that the cases will be appealed as it is said the association will not abide by judgment against it when similar suits have been decided in its favor in several superior courts of the state.

SUPERVISOR LOWELL NOW IN OFFICIAL FAMILY

Took Office Monday and Names Roadmasters for District. Fred Helberg and Joe Revie Reappointed.

Fred Lowell, the new supervisor, took his place in the official family of Sonoma county this week. Superevisor Lowell has many plans for the betterment of his district and is already hard at work studying the best means to carry out the needs of this valley and the Cotati-Penn Grove section. He will work with County Supervisor Press Smith, and has re-appointed Fred Helberg and Joe Revie road master in this part of the district. Other appointments are as follows: Lakeville, Guido Martinelli; Elmore, Chas. Pronini; Cotati, Fred Miller; Glen Ellen, Jim Cowan. Supervisor Lowell has selected an efficient force and his local appointments meet with general approval Efficiency, not politics, is Mr. Lowell's idea of conducting his office. The request of County Engineer Smith that all employees who had made good be ktpt on the job was readily acceded to by the new supervisor. With a competent road foret and enthusiasm for the betterment of his district, in every way Supervisor Lowell's regime promises to be a progressive and auspicious one.

The retiring supervisor, Harry Weise, will devote his attention now to the fine ranch and vineyard he owns at Glen Ellen. Mr. Weise leaves official circles with a host of friends who will wish him continued prosperity.

CITY TRUSTEES HAVE A BUSY NEW YEAR SESSION

The first meeting of the new year proved a busy one for the Sonoma Board of City Trustees, and no different from previous ones in the matter of drawing a goodly number of warrants for services rendered the municipality.

The tangle in regard to a city map was straightened out when Mayor Dal Poggetto reported that the old parchment map, formerly owned by John Tivnen, and drawn in 1850, had been approved by District Attorney Hoyle for official use, and a copy of it will be filed. The original, presented as a gift to the mayor, will be framed and kept for the city's use. On advice of County Engineer Press Smith a new map will gradually be compiled as local lines and surveys are determined.

The fire alarm sytsem committee conferred with the Board and recommended the system now in use at Dixon. It was suggested that the committee take a trip to Dixon to investigate, but Trustee Breitenbach always strong for thrift, advocated writing abut it. The Board decided to "let George do it."

Permission was granted San Sebastiani to cross the streets in his neighborhood with six inch water pipes. A storm sewer pipe to the creek in this vicinity was also authorized.

San Sebastiani asked for a grade and sub grade preliminary to laying concrete pavement along its property frontage on Spain St.

The trustees decided to take action on improperly pruned trees along the streets sand yill notify Sonoma property owners to trim all overhanging limbs or the city will send a man to attend to it.

The collection of plumbers' annual license, a $5 fee is to be strictly enforced.

WON PRIZES AT MASQUE BALL

The New Year's Eve masquerade ball given by the Sonoma Farm Center was largely attended and enjoyed by all.

Prizes were given to the following: For best sustained character, lady, Mrs. A. S. Luce, Red Cross Nurse; most original character, Miss Providence La Torres, bandana costume; most attractive costume, Mr. Weinberger.

Best sustained character, gentleman, Fred Heggie, as Farm Center representative; most original character, gentleman, Mr. Anderson, scare crow.

Refreshments were served under the direction of Mesdames Joost, Cliff Carlson and Freck.

The dance was a financial as well as a social success.

BUSINESS MEN HAD GOOD MEETING

The appearance of Sheridan Baker and Assistant Farm Advisor Everett in behalf of the Farm Bureau membership campaign resulted in the appointment of a committet of business men to boost memberships during the coming drive.

The fire engine committee reported $2513 collcted toward the engine, and more pledged.

WILL BE BURIED TODAY

Albert E. Lawrence, who has been residing at Vineberg, passed away very suddenly Thursday at his home. Death resulted from a heart attack. He leaves a widow, Clara N. Lawrence, and a sister, Mrs. Charles Benedict, of San Francisco.

The funeral will take place today (Saturday) at 2 o'clock, from the H. F. Bates Funeral Parlors. Interment, Valley Cemetery.

SUPERIOR JUDGE R. L. THOMPSON IS SEATED

Takes Office Amid Demonstration From Throng of Admirers at Santa Rosa Monday. Salary Higher In 1921.

After a career marked by steadfast devotion to the highest standards of the practice of law and with a life record of benefit to the people of Sonoma county, Rolfe L. Thomson was seated on the bench of the Sonoma county superior court, to which he was elected by a huge vote of the people, Monday.

As the judge of this county entered the court chambers, all members of the Sonoma county bar and many of the spectators in the court room arose and stood at attention until Judge Thompson was seated.

Many people believed that the ceremony of administering the oath of office would occur then. but this had been done last week at the request of Judge Thompson, in order that he should not delay the routine of the court.

Thronged with attorneys and friends of the new judge, the court room presented an appearance of intense interest while the people were waiting for the judge to enter the chambers.

People of many professions, of many types, were present to welcome Judge Thompson to his new office of public service. It was a clean cut demonstration of the popularity which elected him to office.

A beautiful floral piece, depicting the scales of justice balanced evenly, was presented to the judge shortly after he began calling the calendar. A delay in train service had prevented it being presented to him as he entereed his official duties.

Striking a keynote which will be a source of gratification to the people of Sonoma county, Judge Thompson declared, in his address to the members of the bar, that the wheels of justice in this county must move with more precision and that the dilatory tacties so often used by attorneys must end.

Superior Judges Emmett Seawell and Rolfe Thompson will receive salaries of $5,000 per year beginning January 1, 1921, as the result of state legislative action two years ago

When the salary increase was voted to the judges it was specified that only those being elected or re-elected after the passage of the bill would benefit from it, although Judge Seawell has been in service for many years, he could not benefit from it until he was sworn into office for this term.

The judges' salary has been $4000 a year in the past, half of which is paid by the state and the other half by the county in which the judges serve.

Several indoor yachtsmen and able seamen devoted a large part of their social activities to moving the personal belongings of Superior Judge Thomas C. Denny from the judge's chambers at the courthouse. They are to be forwarded to the judge's home in Sonoma. The splendid law library, the personal property of Judge Denny, was among the personal effects that the "wrecking crew" gently carried from the judge's chambers and placed in the van to be conveyed to their future home.

MORE DONATIONS TO THE FIRE EIGINE

Thursday was a lucky day for the fire engine fund, for on that day Carl Jakober donated $10 to the worthy cause and Joseph Altimira $5. Mr. Jacobed is public spirited although he lives out of the city limits. Mr. Altimira, a recent comer, is a property owner here, and is deeply interested in the welfare of the Mission town.

FIRE ENGINE TO ARRIVE LAST OF COMING WEEK

Al Stein, secretary of the Business Men's Association, has received word from the San Francisco agent of the Waterous Fire Eigine that the engine ordered for Sonoma will arrive here probably on coming Friday. The manufacturers are sending a demonstrator with the apparatus, and a big time is to be arranged by the Business Men's Association on the day of the demonstration.

SCANDAL LOOMS AS COUNTY ROADS ARE INVESTIGATED

The entire $300,000 authorized by the last county bond issue for a highway between Petaluma and Valley Ford has been expended, and less than two miles of pavement laid, according to a detailed report filed with the board of supervisors by Lester, Herrick & Herrick, certified public accountants of San Francisco.

"How the road is to be completed is a problem, the supervisors say. Indications are that a large sum will be required. If the money should be taken out of the general fund, a precedent will be established, it is said, that may affect each of the other road projects in turn, and might in time bankrupt the entire county government.

The highway between Petaluma and Valley Ford is beig built in two sections known as "A" and "B". When bids were originally called for on section "A", Contractor A. J. Fairbanks offered to build and pave the whole thing for approximately $268,000. County Engineer Aldrich filed his estimate to the effect that the work could be done for about $198,000, and the supervisorss thereupon rejected the Fairbanks bid as excesssive, and elected to do the work by day labor, under Aldrich's direction and supervision.

"Of the $258,282.57 expended on the Petaluma-Valley Ford highway, including both sectionss, up to Nov. 1, when Aldrich relinquished control, approximately $20,000, of which $5,386.70 was expended by the new county engineer since Nov. 2, must be added to cover bills that have come in since tha ttime, so the account is actually overdrawn more than $5,000. The report shows materials on hand which cost $78,839.92 and equipment valued at $74,476.40; but if the equipment should be disposed of to provide funds with which to continue operations, as has been suggested there will be no equipment available with which to do the work.

It is estimated that even if a way is found to proceed along this line and all the money tied up in equipment that has been charged to the Petaluma Valley Ford highway could be applied to actual construction, and all the material on hand used to advantage, not more than six miles of concrete highway can be completed at the best. The expenditure of $300,000 for building six miles of highway will mean that the road will cost $50,000 a mile, or nearly twice as much as it should.

Of the material now on hand, $53,510.11 is represented by cement. Nearly 40,000 sacks are stored in two temporary buildings constructed especially for the purpose."

GENTLE SPIRIT PASSES TO GREAT ETERNITY

Lucy Voight Cassidy, Wife of Prominent Orchardist Died Tuesday After Illness of Many Months.

The community was saddened Wednesday by the news of the passing of Mrs. George Cassidy whose death occured at her Vineburg home Tuesday after an illness of several months. Everything that medical science and skilled unrsing could do was resorted to but nothing could conquer the incurable maladay of which the popular matron was a victim and death came eventually as a surcease to the suffering and anxiety which she had borne so patiently and so bravely.

Lucy Wilson Voight Cassidy was a native of Lake county, in this state and was in her early forties. She spent her young womanhood in this valley and her marriage to George Cassidy, the prominent orchardist was a very happy one. The couple had one son, Darrell Cassidy, who is left to mourn with the husband, the passing of this good mother. Her's was a gentle spirit and her sincere and sweet manner won her many friends who will long regret the void her death leaves in the neighborhood where she was so dearly beloved. A sister, Hettie Voight and a brother, George F. Voight, survive her.

The funeral took place yesterday at Vineburg, the late home of deceased being thronged with mourners who listened to the beautiful words of consolation over her casket and followed the remains to their last resting place in Mountain Cemetery. Many lovely floral offerings attested the love and esteem of friends and nearer ones.

PETALUMA "COUNTY" READY FOR THE FRAY

Petition To Divide Sonoma County and Turn Portion of It Into Promised Land, All Signed. Action to Start.

The new county petition is over the top. This means that more than fifty per cent of the registered voters within the new county territory, have signed the petition. The required number is approximately 2925, it being difficult to determine the exact number since the boundary lines cut through several precincts. According to the latest count there are now 3050 signatures to the petition. The petition has had more that 50 per cent signed for some time back, but the Committee of Fifteen has deemed it best not to give out the information until now. Although the petition is now over the top, 200 more signatures are wanted and will be secured. The committee desires to have a safe number, so it is expected to have 3250 in all.

The next proceeding will be to file the petition with the Board of Supervisors which will be done this month or next, then the proceedings to determine the constitutionality to the amendments of the county division law. It has been contended all along that the e1909 amendments to the county division law, requiring a 50 per cent vote of the county at large, as well as a sixty-five per cent vote of the part that is to be formed into a new county, is unconstitutional This will be tested and it is expected that the decision will hold the 1909 amendment unconstitutional, this allowing an election to be called within the district only, that is to be formed into a new county.

Since the petition does not comply with the 1909 amendments, the supervisors will not take any action when the petition is filed. A writ of mandate will then be filed with the Supreme Court and a quick decision secured. If the decision is favorable an election will be held within the new county boundaries late this spring or summer, at which time the people will vote for or against the new county. If the vote then goes 65 per cent, the new county is formed

THE STATE LEGISLATURE is in session at Sacramento and its principal business should be the curtailment of extravagance and unnecessary expense in running the state. There is no question that economy was and is the strong note in the voice of the people and if it is to be paid any attention to, our representatives at the state capitol will have to buckle down to business from the start. The day is passed when it is either good politics or excusable ethics for a legislator to get lost in the maelstrom of lobbying and political dealing and help pass a lot of useless if not dangerous bills, just to be a good fellow. There was a sound and timely warning given by State Controller Chambers on the real necessity for and practicability of a program of economy and it met with state wide approval.

Now comes Governor Stephens in his message and dealing lightly with extravagance, he would have us believe that we are getting such wonderful service from our institutions and commissions that we must not disturb a single job holder, but must find a way to pay the bills. He points out the vast sums needed and advocates more taxes.

Now if our representatives, beginning with our Sonoma county men do not put their foot down on this and make the Governor realize that there is a limit to the patience and pocket books of the people there will be little sense in democracy and more justification in trying out something that in past history has been dubbed benevolent despotism. It might be preferable to the other kind, masquerading as popular government.

ENTERTAINMENT AT WATMAUGH SCHOOL

The entertainment given in the Watmaugh school house on the evening of the 28th, was a decided success financially, as well as a most pleasurable event and was exceedingly well patronized. The parents and friends of the pupils spared no pains in order to carry off the affair successfully.

Truth Burbery of San Francisco, a holiday visitor in Sonoma West, kindly volunteered her services for the occasion. A character analyst, she gave a number of readings to parties present which proved not only interesting, but instructive also. The remainder of the program was as follows:

Recitation, "The Polish Boy" ..... Mrs. E. M. Campbell
Duett, Misses Ella Taylor and Marjorie McLoud
Selections on the Phonograph
Song, Misses Clara Swartz, Violet Wilson and Marjorie McLoud.
Recitation, "Paint Me a Picture" ..... Mrs. Flieger
Comic Reading, ... Mrs. W. Taylor
Song, ... Mr. Mullen
Comic Reading, ... Mr. Geo. Campbell

A very pleasing feature of the program was the presentation to the teacher of the school, Miss Alice Young of a handsome set of ivory toilet articles. The presentation was very cleverly made by Miss Clara Swartz in behalf of the school children. A beautiful boudoir cap was also presented by Miss Swartz. Another gift to the teacher was a beautiful manicure set presented by Miss Ella Taylor. Miss Young very feelingly expressed her appreciation of the gifts and said she surely had the best pupils in the whole state. After the closing of these events, the audience gathered into groups and spent some hours in whist, social chat and the refreshing of the inner man. There was an abundance of sandwiches, cake and coffee. The object of the entertainment, another of which will be given on the last Saturday of this month is to raise funds to place a new floor in the school house. The proceeds of the entertainment were $27.

Mr. and Mrs. F. J. Korre and children and Mrs. L. B McBride of San Francisco visited their parents, Mr. and Mrs. Geo. Campbell.

WM. CLEMENTS INTERESTING ORCHARDISTS OF SEVERAL COUNTIES

Wm. Clements, Santa Clara county fruit grower and member of the California Cooperative Canneries Company, has the position of Educationalist and promotionist with the company. He is at present interesting the fruit growers of Sonoma, Napa, Yolo, Solano and Contra Costa counties in the necessity of financing the cooperative concern sufficiently to enable it to take care of the eventual pack of 20 million cases of California fruit which is to be the hope and salvation of fruit growers in this state. Mr. Clements company is interested in establishing a foreign and domestic market for all the fruit coming into bearing. Between eleven and fifteen million cases of fruit has been put up in California as a result of wartime demands. In normal times andwhen the young orchards begin to produce, there will be a decided problem to meet. Mr. Clements believes that he can convince any orchardist of the merits of becoming a membe r of the big concern he represents and is meeting with considerable success in selling stock. The company has nine canneries in operation in California.

NICE TRIBUTE OF APPRECIATION FROM UNITED STATES TREASURY DEPARTMENT

Justus S. Wardell of the Internal Revenue Service has sent the Editor the following nice letter of appreciation of the service rendered the government by the Sonoma Index-Tribune:

San Francisco, Calif.
December 29, 1920.

Dear Mr. Murphy:—

Within a few days my term of office expires, and I cannot permit myself to withdraw from my post of duty in the Internal Revenue Service without expressing to you my deepest thanks for your constant support in connection with the publicity work of this district.

The "Index-Tribune" has at all times demonstrated a patriotic spirit and an earnest desire to assist the Government in the administration of the Internal Revenue laws.

Respectfully,
Justus S. Wardell, Collector.

NO WINE OR BEER IN PETALUMA HOMES?

That every little hamlet and every big city is staggered by the results of prohibition, is becoming every day more evident. Petaluma is the latest town to report an alarming increase of drunkenness, bootlegging and blind-pigging. So pronounced are the violations that a dry ordinance to make Petaluma locally bone dry was up for discussion by the city council there last Monday night. It was even proposed to put a stop to wine and beer in the home, but how big the Petaluma police force is to be under that arrangement was evidently overlooked.

Petaluma voted dry by seven votes on the Harris act.

NEW GOLDEN GATE FERRY COMPANY

The Railroad Commission has granted the petition to Golden Gate Ferry Company for the issuance o 10,000 shares of common stock at par value of $100 per share, and to operate two or more modern ferry boats for automobile serice between Sausalito and the foot of Laguna Set, San Francisco, as soon as possible, according to a statement issued by H. E. Speas, President of the company.

Ptrsons familiar with development enterprise and the need of such service are unanimously in accord that it is a meritorious undertaking. The Board of Supervisors of San Francisco, City and County, have unanimously passed the resolution giving permission to Golden Gate Ferry Company to establish and maintain a ferry terminal at the foot of Laguna Street. His honor, the mayor, James Rolph, Jr., has approved the measure. It is now up to the people of the districts affected by this proposed service to see whether or not the enterprise will go forword.

It is the plan of the company to issue the stock on a popular subscription basis; it will be non-assessable and fully paid.

SCHWEITZERS SPEND HOLIDAY HERE

Mr. and Mrs. Melville Schweitzer, owners of the beautiful Haunted House Farm in Sonoma Valley, were here for New Year's, they arrived in their auto and enjoyed a fine dinner prepared in their honor by Mr. and Mrs. Tom Ryan at their pretty bungalow home on the Schweitzer place. Mr. and Mrs . Ryan and little son, Vernon were entertained by the Schweitzers the following day at a turkey dinner given at the Boyes Springs Hotel, the party motoring through the valley later in Mrs. Schweitzer'ss shandsome new Cadillac limousine.

The bountiful and gracious mistriss of Haunted House Farms remembered her foreman, Mr. Ryan and his family with hand-ome checks for Christmas and also many pretty gifts Her visit to the ranch for the holidays was enjoyed by her and gave great pleasure to Mr. and Mrs. Ryan.

While here Mrs. Schweitzer heard of the needs of the district school house near her ranch and made a substantial donation to Watmaugh's new floor fund.

WILL TEACH IN PETALUMA HIGH SCHOOL

Miss Gabrielle Heggie, eldest daughter of N. J. Heggie of the First National Bank, has accepted a position as teacher of French and Spanish in the Petaluma High School. Miss Heggie is a graduate of the University of California where she took high honors in languages. In Petaluma, she will be associated in the High School work with Prof. Painter and Miss Ellen Trueblood, her former teachers at Sonoma High.

Miss Heggie's parents and friends are pleased that she has located so near to her home in Sonoma Valley.

VAN AMRINGE FUNERAL

The funeral services of Dr. David Van Arminge who passed away suddenly at his home in Geyserville Thursday night, were held at the Christian Church Saturday afternoon. Relatives and a host of friends were there to pay their last respects to the deceased. Many beautiful floral pieces were brought as tributes of sympathy and sorrow. The funeral services were conducted by Rev. Mobley of Geyserville. Those acting as pall bearers were Messrs. Harry E. Black, Caesar Beffa, Lloyd Wisecarver, Pearl Parkerson, Harold Sullivan and, Mark Vanoni. The sympathy of the entire community is extended to the sorrowing wife and children of Dr. Van Arminge in their time of bereavement. Two sisters, who reside in Alameda county, are left to mourn deceased.

LOCAL BRANCH OF RED CROSS TO CURTAIL ITS WORK

At the regular monthly meeting of the local branch of the Red Cross on Wednesday evening the resignation of Misss Henrietta Koch was receied and accepted. The committee was reluctant to release Miss Koch and deprive the community of her very excellent services, but took into consideration the temporary nature of the position and the young lady's own welfare. She goes to Tampico, Mexico, to accept a permanant and very desirable position in the American Hospital of that city. It as deemed inadvisable to initiate an experienced nurse into the work, as with the funds available he work could only be carried on for a limited time.

It was also decided, in view of the fact that war time conditions are no longer prevalent, to discontinue the Civilian Relief and Home Service work on the lines that have been followed. Mrs. Claude Johnson has for seeral years rendered the community the most faithful and capable services in this division of Red Cross work, and the community should fully appreciate her untiring services in the great cause of charity. The local branch, however, will maintain its general organization and will stand ready to extend emergency relief in all deserving cases brought to its attention in so far as its funds will permit. Arrangements have been made with Mrs. L. H. Green to care for patients as occasion and necessity arise The County Nurse will be requested to carry on the health work in the schools of the valley.

It is to be understood that although the Red Cross has for its purpose the disstribution of charities, that if should be called upon only in cases of real necessity. Pure charity is a beautiful and a noble thing, but indiscriminate and misplaced charity destroys initiative, independence and self-esteem. The committee is proud to state that impositions upon it have been the very rare exception.

The Red Cross rooms in the Balotti building have been vacated and the monthly meetings on the first Monday of each month will hereafter be held at the grammar school. These meetings are always open to the public. Persons knowing of intances in which assistance from the Red Cross is necessary will report the same to any of the officers of the branch, J. F. Prestwood, chairman; Mrs. Carrie Burlingame, press to the ueople of Sonoma valley

The committee in charge of the ent membership drive wishes to express o the people of Sonoma valley its appreciation of the enthusiastic manner in which they rallied to the fourth annual roll call. The funds thus obtained will materially assist in carrying on the good work.

HOLIDAY VISITORS AT THE JUDGE LEOPOLD JUSTI HOME

Judge Leopold Justi of Glen Ellen had as his holiday guests his sister, Mrs. Merlinjones and family of Oakland. Mrs. Merlinjones' married daughter and children had a beautiful Christmas tree at the Justi home and turned the popular batchelor's home into great merriment as a great yule tide log blazed on the hospitable hearth.

Judge Justi received many nice Christmas gifts, among them a fine cake from a holiday bride, Mrs. Hansen of Windsor. The Hansen's were recently married by the marrying Magistrate of Glen Ellen. The bride wanted to prove that she was a good cook. She did.

THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3½-inch tires front and rear, for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows make it an open car in pleasant weather, while in rainy and inclement weather it becomes a closed car, dust-proof and rain-proof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

JACK LAWLER GOES EAST IN INTEREST OF EGG MEN

At a meeting last Saturday of the Petaluma Chamber of Commerce the tariff on eggs and poultry was a leading topic.

Owing to the recent arrial in this country of nearly 12,000,000 dozen Chintse eggs in shells which arrived in one ship last month, annd which amount is more than one half of the greatest total ever produced by the entire Petaluma district in any year, it was shown how immediate action was necessary upon this tariff matter. Since the arrival of the consignment of Oriental eggs, the New York city market on Petaluma eggs has declined from $1.15 to 85c per dozen.

It was decided by the unanimous vote of the meeting to send John Lawler, president of the Petaluma Chamber of Commerce, and assistant general manager of the Poultry Producers of Central California, to Washington at once. Mr. Lawler will be in Washington at an early date, co-operating with our representative in Congress, C. F. Lea.

"—for clean oil in a clean engine"

"See what we found in your crankcase oil"

THIS lens shows some of the dirt that can be found in any crankcase after a few weeks of driving—road dust, carbon and fine particles of metal. Such dirt circulates with the lubricating oil through the engine, together with gasoline that escapes past the pistons and dilutes the oil.

Have the dirty, diluted oil in your crankcase drained out—*now*—before unnecessary wear begins.

We can do that best for you with Modern Crankcase Cleaning Service—convenient, quick, economical. We use Calol Flushing Oil, the scientific, thorough flushing agent which does not contaminate the fresh oil. We assure proper lubrication for your engine by refilling the cleaned crankcase with Zerolene of the correct grade.

Make a regular habit of Modern Crankcase Cleaning Service. It gives better engine performance and longer life to your car.
